3. SUSTAINABLE EXHIBITS AND SOLUTIONS

The information in the following fields is **mandatory and a prerequisite for admission as an exhibitor**. Visitors to this "b2b Transformation Marketplace" view this green contact and educational trade fair as a guiding and kick-off event for the entire cross-industry GreenTech sector, which helps meet the requirements of EU regulations such as ESG, CSRD, etc., gradually.

I will be presenting the following sustainable products/services at the booth:

sustainable products/services
<input type="checkbox"/> I have a new, sustainable solution / product that I would like to present on stage at the trade fair party exclusively for my sector.

A sustainable exhibition presence is highly recommended at our Transformational Exhibition! Further information here:

[Sustainably Successful – Green Impulses for Your Exhibition Presence](#)

6. TERMS OF PAYMENT:

The payment of the total amount is due no later than 14 days after receipt of the invoice. Payment of the remaining amount is due in February 2025. We reserve the right to let the area to others in case of late payment. Any change to the configuration of the co-exhibitors does not constitute a reason for cancellation. All prices plus VAT, payable immediately without deduction after receipt of invoice. Possible transfer costs are to be paid by the exhibitor himself.

I have read the [description of services](#) and [general terms and conditions of TransformIT Europe GmbH](#) and the [general terms of Brussels Expo](#) and hereby accepted as legally binding. All applicants acting on behalf of another person guarantee to pay all outstanding amounts to the organizer of the trade fair mentioned above. The area indicated may show tolerance variation of up to 10 % due to the technical situation at the site (m² given = gross size). This fact does not justify a deduction, compensation or cancellation. The organiser reserves the right to change the stand construction during the planning process. Changes in the composition of co-exhibitors or the relocation the event to hall or to another adequate hall by the organising trade fair company are no reason for cancellation or claim for compensation.

If you have any general questions, please contact the TransformIT Europe team. If you have any questions about stand construction, please contact your stand constructor directly. Further information and contact details can also be found in the exhibitor folder and at: www.transformit.eu

☐ I have read, understood and accept the [General Terms and Conditions of TransformIT Europe GmbH](#) and [Brussels Expo](#).

☒ Hereby I declare that I will commit myself to a climate-friendly and environmentally friendly project handling of my entire exhibition appearance

DESCRIPTION OF SERVICES

p. 3/7

Booth Building Options – please specify your selection on the registration form

1. Fully equipped Booth

885 €/m²

including full-service package according to service specification.

The allocated exhibition space may be subject to a tolerance of up to 10% due to structural and technical constraints. The organiser reserves the right to adjust the stand construction specifications during the planning phase.

Wall graphics and the on-top logo panel are mandatory for all exhibitors; this to ensure a consistent and distinctive presentation platform.

Included in the Price per m²:

- Rental price for exhibition space and complete exhibition stand as per design/plans
- Flat rate for ancillary costs: 55 €
- Stand equipment (according to furniture list)
- Carpet, lighting, and electrical connection including consumption
- Hostess buffet service, cold and hot drinks, a "hot snack" at lunchtime, as well as all-day sandwiches, snacks, pastries, fruit, etc., for exhibitors and their visitors
- Free use of the B2B area, including catering service for exhibitor staff and visitors

Not Included in the Price per m²:

- Table reservation in the lounge: 985 € (high table with 4 bar stools, logo sign, individual catering arrangement)
- TK/cable internet connections via the trade fair company (see website under "Booking," then "Expo Services")
- Trade fair hostesses/hosts for the exhibitor's own stand
- Stand customizations such as special furniture (these services must be coordinated with the exhibition stand builder)
- Changes to the standard furniture equipment are generally only possible up to 3 weeks before the start of the trade fair. If an exhibitor wishes to make changes within the last 3 weeks before the trade fair begins, the exhibition stand builder will charge a late fee.
- Installation service for brought-in promotional exhibits, cabling, etc., by our exhibition stand builder at an hourly rate starting at 65 €, including ancillary costs and any necessary materials
- Storage and reinstallation of wall graphics.

This service must be arranged with the graphic service provider before the end of the trade fair:

FURNITURE LIST

No costs for co-exhibitors, as furniture is already included in the m² price. Surcharges (for exchange) and additional orders will only be charged in case of additional orders beyond standard equipment. When exchanging furniture, you will only be charged for the difference between the item you no longer require and the alternative item you have requested.

Any changes to the standard furniture equipment can only be made by the exhibitor **up to 3 weeks before the start of the trade fair**. Should the co-exhibitor nevertheless request changes within the last 3 weeks before the start of the trade fair, the stand constructor will charge a **late fee**.
