3. SUSTAINABLE EXHIBITS AND SOLUTIONS

The information in the following fields is **mandatory and a prerequisite for admission as an exhibitor**. Visitors to this "b2b Transformation Marketplace" view this green contact and educational trade fair as a guiding and kick-off event for the entire cross-industry GreenTech sector, which helps meet the requirements of EU regulations such as ESG, CSRD, etc., gradually.

I will be presenting the following sustainable products/services at the booth:

sustainable products/services

I have a new, sustainable solution / product that I would like to present on stage at the trade fair party exclusively for my sector.

branch(es)

***Service and Communication Fee:**

This fee includes all additional costs (electricity/water consumption, Wi-Fi, and media costs, including the virtual exhibitor catalog). Connection fees, as well as electricity and water connections, and many other services, can soon be ordered directly from the Brussels Expo online shop. The link will be made available shortly.

A sustainable exhibition presence is highly recommended at our Transformational Exhibition!

Further information here:

[Sustainably Successful – Green Impulses for Your Exhibition Presence](#)

6. TERMS OF PAYMENT:

The booking is only binding once the 25% deposit has been paid. Payment of the remaining amount is due in February 2025. We reserve the right to let the area to others in case of late payment. Any change to the configuration of the co-exhibitors does not constitute a reason for cancellation. All prices plus VAT, payable immediately without deduction after receipt of invoice. Possible transfer costs are to be paid by the exhibitor himself.

I have read the [description of services](#) and [general terms and conditions of TransformIT Europe GmbH](#) and the [general terms of Brussels Expo](#) and hereby accepted as legally binding. All applicants acting on behalf of another person guarantee to pay all outstanding amounts to the organizer of the trade fair mentioned above. The area indicated may show tolerance variation of up to 10 % due to the technical situation at the site (m² given = gross size). This fact does not justify a deduction, compensation or cancellation. The organiser reserves the right to change the stand construction during the planning process. Changes in the composition of co-exhibitors or the relocation the event to hall or to another adequate hall by the organising trade fair company are no reason for cancellation or claim for compensation.

If you have any general questions, please contact the TransformIT Europe team. If you have any questions about stand construction, please contact your stand constructor directly. Further information and contact details can also be found in the exhibitor folder and at: www.transformit.eu

 I have read, understood and accept the [General Terms and Conditions of TransformIT Europe GmbH](#) and [Brussels Expo](#).

 Hereby I declare that I will commit myself to a climate-friendly and environmentally friendly project handling of my entire exhibition appearance
